## DEALERO KA BHAROSA

### ALL INDIA FAIR PRICE SHOP DEALERS' FEDERATION

My Dear Colleagues,

Every challenge carries a lesson. We should release negativity before it shapes the reality. Positive thoughts have a powerful pull – we shall focus only on a single point i.e. our viability.

When a negative thought generate, consciously replace it since your mindset plays a bigger & vital role in shaping our experience than any other force. So, we should sharpen our mind to guide the growth.

At this present juncture of the FPS Dealers all over the Country, our the only motto & mission should be on a single azenda – to enhance our Margin from the end of the Union Govt. and keeping this view in mind, battle – arena should be given a shape accordingly.

In our opinion, this is not the right time to organise any physical movement but it is high time for knocking the doors of all Hon'ble MPs irrespective of any Political Parties within June 2025 and by mobilise our efforts to convince them.

Inner belief influence outcome more than circumstances to please remember to banish limiting thought.

How the Dealers will survive – is the only one question as on today, Every Leaders timely intervention will be instrumental in resolving the crisis.
