**Sub : Dying Appeal for raising our plight in  
the ensuing Monsoon Session of  
Parliament.**

Most Hon'ble Sir / Madam,

Your Honoured Selves represent the People of India and kindly consider to be vocal in the Parliament when serious problems engulf the livelihood of the Citizens. We are poor Fair Price Shop Dealers serving the same populace as per the guidelines given by the Govt.

In the above context, we beg to solicit your kind attention to the fact that we have been kept in a state of financial doldrum with our "Ration Dealer's Margins" remaining almost the same, other benefits neglected and negated and our cries falling on deaf ears.

In fact, it is most pathetic that consequent upon our continued agitation, Govt. of India was compelled to entrust the responsibility of reviewing our Margins to an International Organization - World Food Program. The Organization duly submitted their Report & Recommendations as back as in the year 2020 but, unfortunately, the Union Govt. has preferred to sleep over it while we are almost in a near starvation state.

We would incidentally mention that Govt. of India has recently considered a raise of only 20 paise per kg in our Margin as a cruel joke adding insult to our injury.

Your kind compassion and consideration can be the only way out to save ourselves from financial damnation and decay that hope and in mind, we are enclosing a summary of our longstanding Demands for favour of your consider-
